

Time Machine!

Masayuki Akamatsu

A Projector should be placed at the one of the following positions.
(One projector will be used, not two.)

Equipments of one set of "Time Machine!"

- 1 Macintosh Computer (G4/500 or higher)
- 1 Video Projector (RGB input, 800*600 pixels resolution)
- 1 Projection Screen
- 1 DV Camera (FireWire connectable, ex. Sony Handycam)
- 1 Controller (ex. Griffin PowerMate)
- Stands or Suspensions for a projector, screen, camera and controller
- 1 Light Facility (for Audiences)
