

問題. SuperCollider3を使用し、以下のユースコードを実行するとどうなるか。

```
(
  w = SCWindow("DSPSUPER SCHOOL2004", Rect(128, 64, 467, 467));
  w.view.decorator = FlowLayout(w.view.bounds);

  var w;

  b = SCButton(w, Rect(0, 150, 150));
  b.states = [{"Takeko Kawamura(tn8)", Color:white, Color:red},
             [{"Takeko Kawamura(tn8)", Color:black, Color:white}];

  b = SCButton(w, Rect(150, 150, 150));
  b.states = [{"Masayuki Akematsu", Color:black, Color:white},
             [{"Masayuki Akematsu", Color:white, Color:red}];

  b = SCButton(w, Rect(300, 150, 150));
  b.states = [{"Nobuyasu Sakonda", Color:white, Color:red},
             [{"Nobuyasu Sakonda", Color:black, Color:white}];

  b = SCButton(w, Rect(0, 150, 150, 150));
  b.states = [{"Shigeru Kobayashi", Color:black, Color:white},
             [{"Shigeru Kobayashi", Color:white, Color:red}];
)
```

解答は、DSP Super School 2004 会場です。

```
b = SCButton(w, Rect(150, 150, 150, 150));
b.states = [{"James MacCarthy", Color:white, Color:red},
            [{"James MacCarthy", Color:black, Color:white}];

b = SCButton(w, Rect(300, 150, 150, 150));
b.states = [{"Mark Polshock", Color:black, Color:white},
            [{"Mark Polshock", Color:white, Color:red}];

b = SCButton(w, Rect(0, 300, 150, 150));
b.states = [{"Tadashi Usami", Color:white, Color:red},
            [{"Tadashi Usami", Color:black, Color:white}];

b = SCButton(w, Rect(150, 300, 150, 150));
b.states = [{"February,2004 v1n14th-15th vrand 21st-22nd", Color:black, Color:white},
            [{"February,2004 v1n14th-15th vrand 21st-22nd", Color:white, Color:red}];

b = SCButton(w, Rect(300, 300, 150, 150));
b.states = [{"AI IAMAS vOgaki\JAPAN", Color:white, Color:red},
            [{"AI IAMAS vOgaki\JAPAN", Color:black, Color:white}];

w.front;
)
```
